Declaration of Conformity – California Proposition 65

We hereby certify that the products listed below, manufactured by LSEZ SIA Jensen Metal, are subject to the requirements of the Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65). This law requires businesses to notify Californians about significant exposures to chemicals that cause cancer, birth defects, or other reproductive harm.

The law requires that no person doing business knowingly and intentionally exposes an individual to a chemical known to the state of California to cause cancer, birth defects, or reproductive toxicity without first giving a clear and reasonable warning.

The most recent Proposition 65 list is updated as of January 3, 2025. This declaration is based on information provided by our raw material vendors, and independent testing has not been conducted to determine the presence of these substances.

Please keep in mind that the information being provided regarding the substances contained in our products is based on information provided by suppliers or producers of the raw materials. We have not conducted any tests to determine the presence of these substances.

As the California Proposition 65 list is updated frequently, we will evaluate and further revise in time and update this declaration to reflect those changes.

Yours faithfully

Lars-Bo Christensen, CEO
